FERNS *for the* HOME

ROOSEVELT FERN—Resembles the world-famous Boston Fern, but the pinnae are beautifully undulated, giving the "Roosevelt" a pronounced wavy effect; as the plant ages this effect becomes quite distinct.

TEDDY JUNIOR FERN (Dwarf Roosevelt)—The fern for every household. The pinnae are distinctly undulated, giving the fronds an attractive wavy appearance. "Teddy Junior" will produce about four times more fronds than any other Fern ever introduced, finishing with fifty to sixty fronds in a four-inch pot.

ASPARAGUS PLUMOSUS (Lace Fern)—The foliage is finer than that of the most delicate Fern, and it will last for weeks after being cut. Excellent house plants, succeeding under almost any conditions; by pinching back, may be grown as a bush plant.

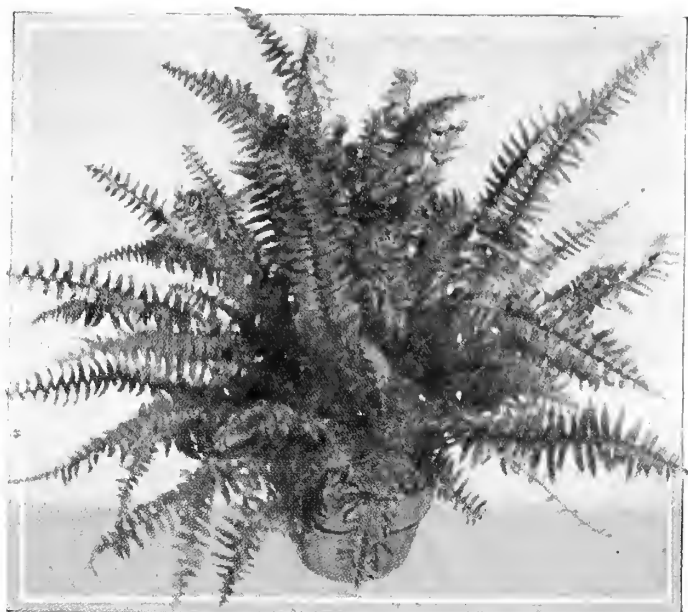

Large size, 40c each; 3 for \$1.00. Small size, 20c each; 3 for 50c.

BOSTON FERN—Fronds which frequently attain a length of six feet. These arch and droop over very gracefully, on account of which it is frequently called the Fountain Fern. This drooping habit makes it an excellent plant to grow as a single specimen on table or pedestal.

WHITMANII (Parlor or Ostrich Plume Fern)—Very dense compact growth.

Large size, 75c each; 3 for \$2.00.

Small size, 20c each; 3 for .50.

Hardy Lilies for fall planting

Place some sand underneath lily bulbs when planting and results will be better. Plant from 6 to 8 inches deep, except Candidum which should be about 3 inches deep.

LILIUM CANDIDUM (Madonna Lily)—One of the hardiest. Flowers snow-white with sweetest fragrance. Blooms in June and July. Must be planted in the early autumn to succeed well. Plant a bed of twenty-five or more for a permanent bed or border. September delivery, 35c each; 6 for \$2.00.

LILIUM REGALE (Regal Lily)—White fragrant flowers; slightly shaded pink outside and the lower inner surface primrose yellow. October delivery, 35c each; 6 for \$2.00.

LILIUM GIGANTEUM (Easter Lily)—Delightfully fragrant, pure waxy-white. Bulbs potted in August can be in flower in November. A succession of bloom can be kept up from November to May. As a garden Lily it is of great beauty, being entirely hardy. November delivery, 40c each; 6 for \$2.25.

LILIUM AURATUM (Gold Band Lily)—The most beautiful variety of all the lily family. White, dotted with crimson, with a clear gold band running through the center. November delivery, 45c each; 6 for \$2.50.

LILIUM RUBRUM—A beautiful, bright, rose spotted with a rich velvety crimson. November delivery, 40c each; 6 for \$2.25.

LILIUM UMBELLATUM—Colors range from deepest red through all shades of crimson, rose, yellow, buff and apricot. October delivery, 35c each; 6 for \$2.00.

LILIUM TIGRINUM (Double Tiger Lily)—October delivery, 35c each; 6 for \$2.00.
